INFRASTRUCTURE USAGE BY SUBCONTRACTORS:

In Brodogradilište Punat d.o.o. it is not allowed to perform any kind of works without work permission. Work permission can be obtained on the Yacht Service reception desk, with the previously announcement and verification and is valid only in period for which is issued. The basis for payment of such permission is usage of infrastructure Brodogradilište Punat, which include:

- Entry and exit permission, during the time of work permit validity
- Connection and consumption of electricity and water
- Usage of plateau and piers for boat access
- Disposal of technologic and domestic waste (cleaning of the work area not included!)
- Usage of sanitary facilities

Preconditions for acquiring work permission are:

- a registered company
- valid insurance policy for work activities, which covers any damage against third parties
- qualified workers for performing of works
- performing only work stated in the work permission

Infrastructure usage permission (for all kind of works)	100 EUR/person/day
---	--------------------

Amount of infrastructure usage permission on a monthly (or annual) basis is defined through „Pravilnik o zasnivanju kooperantskog odnosa“ (Regulation for establishing a subcontracting relation).

GENERAL NOTES:

For services that are not quoted in this Price list, please contact Brodogradilište Punat d.o.o.

By renting a daily moorage, the berth should be left by 2 p.m. on the last paid day.

The owner of the vessel should supply the ropes from boat to the anchor and from boat to the pier.

Please keep the work area clean while carrying out repair-works and clean it completely before leaving. If the work area is not cleaned, 50 Euro will be charged for cleaning of the work area.

Length over all and width over all is taken into consideration.

Tender of the vessel is a vessel with length over all up to 4 meters.

All clients of Brodogradilište Punat d.o.o. are kindly asked to abide the Rules of the harbour and Trading conditions of Brodogradilište Punat d.o.o.

Works in Shipyard Punat are allowed only to the boat owners or their registered crew and registered subcontractors. Registered subcontractors are companies which have an authorisation and permission to work in the Shipyard Brodogradilište Punat d.o.o.

Works on underwater part of the vessel and vessel propulsion may be performed only by Shipyard Punat or registered subcontractors.

Work that can cause damage on vessels next to the vessel on which is being worked f.e. high pressure washing, compressor varnishing, grinding, welding ect. is strictly forbidden without a preliminary agreement and authorisation from the Brodogradilište Punat management and without an appropriate protection.

Starting with application of this price list, the former price list is no longer valid.

The ordering party is taking possession of charge duty.

Rented assets and equipment are used at own responsibility.
